Dear Mr. Weisberg:
The "Establishment."

Has spoken. It will be
interesting to see what happens
to the "7 out of 10" doubters -
(this time next week -

It (The CBS Program) was
so full of holes - it's not worth
commenting. (I listed 11 - just off hand)

Will you & Garrison keep
on fighting -? I will forever!

I have little hope
for the other 3 programs on
CBS. (Script by CIA, FBI & Warren Group)

Enclosed are slim pickings
for week - Novel says he'll be
in N.O. July 6 & 7th - to see
all Garrison's backers in
Federal Court - including -
Senator Russell Long of Louisiana -
Please - please

Keep up the good fight -
You are the greatest -

Sincerely,
Lois Fairfield

P.S. I can't blame them (The colored people) but it's a amazing that
importance of their testimony has suddenly faded on.
The poor souls probably will lead a decent life - for a change, if they cooperate.
